## PROFESSIONAL EXPERIENCE

---

### Software Developer — UI/UX Focus

*Dec 2021 – Present*

**Wipro Limited** · Client: ICICI Bank · Mumbai, India

- ▶ Led end-to-end UI/UX design and front-end development for ICICI Bank's core digital banking platforms serving millions of customers
- ▶ Created wireframes, user flows, and high-fidelity prototypes in Figma & Adobe Creative Suite; reduced design-to-dev handoff time by 30%
- ▶ Built responsive, cross-browser-compatible interfaces using HTML5, CSS3, Bootstrap 5, and JavaScript; improved mobile engagement by 20%
- ▶ Designed WCAG 2.1 AA-compliant accessible interfaces incorporating micro-interactions and animations that raised user satisfaction scores
- ▶ Leveraged AI tools (UX Pilot, ChatGPT) for design optimization and code generation, boosting team efficiency by 15%
- ▶ Collaborated with product managers, developers, and business stakeholders in Agile sprints to deliver 10+ major feature releases on schedule

### Web Designer

*Dec 2019 – Dec 2021*

**Fountaintechies Pvt. Ltd** · Pune, India

- ▶ Designed and developed 15+ high-performance websites tailored to client branding and business objectives, driving measurable traffic growth
- ▶ Managed complete project lifecycles from conceptualization through deployment and post-launch maintenance, ensuring 100% on-time delivery
- ▶ Implemented mobile-first responsive layouts ensuring consistent, optimal user experience across all devices and screen sizes

### Web Designer

*Apr 2017 – Aug 2019*

**SASPL** · Pune, India

- ▶ Produced brand assets including logos, icon sets, and marketing banners using Photoshop, Figma, and Illustrator for 10+ clients
  - ▶ Developed and maintained client websites ensuring alignment with branding guidelines, functional requirements, and SEO best practices
  - ▶ Conducted regular performance audits and troubleshooting, maintaining 99%+ uptime across managed websites
-

## SKILLS

### Design & Prototyping

|             |                |             |             |                          |                   |
|-------------|----------------|-------------|-------------|--------------------------|-------------------|
| Figma       | Adobe XD       | Photoshop   | Illustrator | Wireframing              | Prototyping       |
| UX Research | Design Systems | WCAG / A11y | User Flows  | Information Architecture | Usability Testing |

### Front-End Development

|         |           |                   |              |               |       |
|---------|-----------|-------------------|--------------|---------------|-------|
| HTML5   | CSS3      | JavaScript        | Bootstrap 5  | jQuery        | React |
| Angular | WordPress | Responsive Design | Git / GitHub | Cross-Browser |       |

### AI & Productivity Tools

|          |         |                       |                      |  |  |
|----------|---------|-----------------------|----------------------|--|--|
| UX Pilot | ChatGPT | AI Prompt Engineering | AI-Assisted Code Gen |  |  |
|----------|---------|-----------------------|----------------------|--|--|
